

Dean Boerger is a licensed private investigator and the owner of Boerger Investigative Services, LLC. Dean is licensed in Ohio, Indiana, West Virginia and Washington, DC. Boerger Investigative Services specializes in fraud investigations but has worked court appointed criminal cases. Dean spent 12 years in the US Army before working for a national security company conducting labor and employment law investigations for 10 years. Dean started Boerger Investigative Services in 1998 and has had numerous investigative articles published and is a frequent speaker on investigative trends. Dean is an approved contract investigator to the U.S. Office of Personnel Management and conducts background investigations on federal employment applicants and military personnel. Dean is the Chairman of the Board for the Indiana Association of Professional Investigators and an active member of the Ohio Auto Theft Investigators Association; the National Society of Professional Insurance Investigators; the National Association of Legal Investigators; the Ohio Arson Investigators Association; and a Legislative Lobbyist with the National Council of Investigation and Security Services to name a few. Dean is the only preferred investigative agency to the Central Ohio Association for Justice formerly known as the Franklin County Trial Lawyers Association. Dean has sponsored an internship program through The Ohio State University for the past five years and has hired several students after graduation. Dean also offers workshops to individuals interested in entering the field of private investigation.
