A MESSAGE FROM THE PRESIDENT

Dear Members:

It was great to see so many of you at the May meeting. We have an informative presentation planned for the July meeting. Mr. Keith Ferguson, Investigator with the Ohio State Highway Patrol, Office of Investigative Services, will be our guest speaker for this meeting. Mr. Ferguson's presentation will be a follow-up to the topic ("Computer Related Crimes") covered at the May meeting. While the May meeting focused on the various types of computer related crimes being perpetrated today, Mr. Ferguson will share his insight and knowledge on how an investigator should handle and process computers and computer related data as evidence.

See you at the July meeting.
